Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number.

3. Terminal disclaimer with disclaimer fee

☒ Since this utility/plant application was filed on or after June 8, 1995, no terminal disclaimer is required.

☐ A terminal disclaimer (and disclaimer fee (37 CFR 1.20(d)) of \$ _____ for a small entity or \$ _____ for other than a small entity) disclaiming the required period of time is enclosed herewith (see PTO/SB/63).

4. STATEMENT: The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. [NOTE: The United States Patent and Trademark Office may require additional information if there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137(b) was unintentional (MPEP 711.03(c), subsections (III)(C) and (D)).]

WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

Sir:

STATEMENT IN SUPPORT OF PETITION TO REVIVE

Applicant provides the following statement in support of Applicant's Petition For Revival of an Application For Patent Abandoned Unintentionally under 37 CFR 1.137(b):

1. The undersigned is assignee of all rights in the present application, as shown in the attached Assignment.
2. An Office Action was sent on May 15, 2006, and set for reply by August 15, 2006, the date three months after the mailing date of the Office Action.

9403811578

2. Applicant first became aware of the abandonment of the application on or about February 28, 2007.

3. The Applicant did not receive the Office Action mailed May 15, 2006, or the Notice of Abandonment mailed April 4, 2007, due to actions by Applicant's former counsel

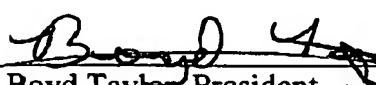

4. The delay between the due date for reply and the date the Applicant first became aware that the application was abandoned was unintentional, and was reasonably necessary to determine the facts surrounding Applicant's failure to respond to the Office Action, to obtain Applicant's files from former counsel, to obtain assignment of rights in the application from former owners, and to prepare a reply to the Office Action mailed May 15, 2006.

In view of the foregoing, Applicant respectfully requests the Office grant the instant Petition for Revival.

Respectfully submitted,

SHOMI TECHNOLOGIES CORPORATION
